

Sometimes when
Woody gets mad he:

1. SCREAMS
2. Falls on the floor
3. Hits his chin

Bo says it is OK to be mad, but it is not OK to:

1. SCREAM
2. Fall on the Floor
3. Hit your chin

When Mr. Potato Head gets mad he

- Tells people how he feels AND uses his words to tell people why he is mad.
- He uses a nice voice to ask for what he wants.
- He works for 10 pennies to get what he wants

If you tell
someone why you are
mad they can help
you.

Everyone will be
happy if you use your
words!
