Setting Event Interventions Brainstorming Tool
Identify each setting event from the PBS Planning Tool(s). Write down one setting event on the line below. As a team, discuss the types of setting event interventions that are possible and write down notes describing what the strategy would look like for this setting event.

Setting Event: __________________________________________________________

1) What strategies could be used to minimize the likelihood of the setting event?
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

2) What strategies could be used to neutralize the setting event?
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

3) What strategies could be used to eliminate or modify antecedents (triggers) on days when setting events occur?
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

4) What types of prompts for desirable behavior could be used when setting events occur?
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________

5) How can the value of the reinforcement a student receives be increased on days when setting events occur?
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
___________________________________________________________________
