EXERCISE 7  Seasons

1. These pictures show the same place at different seasons of the year.
   • (Point to a.) This picture shows winter. Snow is on the ground. Snow is on the mountain. There are no plants in the field. Look at the tree. There are no leaves on the tree.
   • (Point to b.) This picture shows spring. Spring comes after winter. Say that. (Signal.) Spring comes after winter. See the little plants coming up in the field? The tree has little leaves. There is still snow on the mountain.
   • (Point to c.) This picture shows summer. Summer comes after spring. Say that. (Signal.) Summer comes after spring. Look at the plants in the field. They’re big. The tree has leaves. There is no snow on the mountain.
   • (Point to d.) This picture shows fall. Fall comes after summer. Say that. (Signal.) Fall comes after summer. The plants in the field are dead. The leaves on the tree are falling. There is some snow on the ground.

2. My turn. I’ll touch the picture and say the seasons. Here I go.
   • (Point to a.) Winter.
   • (Point to b.) Spring.
   • (Point to c.) Summer.
   • (Point to d.) Fall.
   • Say the seasons with me. (Touch each picture in order and say the seasons with the children.)
   • Your turn. All by yourselves. Say the seasons. (Touch each picture in order. The children are to say the seasons.)
   • (Repeat part 2 until all children can say the four seasons.)
