a. Point to the sounds in the columns. Get ready to tell me all these sounds. Remember, if a sound has a little arrow under it, you have to say it fast. Don't get fooled.

b. Touch the first ball of the arrow for r. (Pause one second.) Get ready. Move quickly to the second ball. Hold. rrr. Yes. rrr.

c. Repeat b for each remaining sound. For d, slash to the end of the arrow.

d. Repeat b and c until all children are firm on all sounds.
