I, Dalton, have been using accommodations in your classroom. Here is my rating of the effectiveness of these accommodations and comments about what I think might improve effectiveness.
(1 = not effective, 2 = somewhat effective, 3 = very effective)

1. Listening to stories on CD

I think the effectiveness of this accommodation could be improved by...

Watch it on TV or something.

2. Recording answer to questions on a tape

I think the effectiveness of this accommodation could be improved by...

Taping it on a video tape

3. __________________________
