Teacher Evaluation of Classroom Accommodations

Teacher name: Jason Maxwell  |  Grade: 5th
Subject: Science  |  Date: Nov 10

Allison has been using accommodations in your classroom. Please rate the effectiveness of these accommodations and comment about what you think might improve effectiveness.

(1 = not effective, 2 = somewhat effective, 3 = very effective)

1. Setting Accommodations for Test - 1 2 3
   Special Services Room
   How could the effectiveness of this accommodation be improved?

2. Timing Accommodations - Allison 1 2 3
   Took breaks during testing.
   How could the effectiveness of this accommodation be improved?

3. Test Questions were read aloud 1 2 3
   How could the effectiveness of this accommodation be improved?

What are other accommodations that might increase access for this student?

Allison should be able to use these accommodations in all subject areas. Maybe it would be helpful for her to take all tests in the morning.
