Student Accommodations Journal

Student name: Samuel
Grade: 4

Teacher name: Mrs. Hall
Date: Sept. 17

Subject: Math

What accommodation was used? Mrs. Hall writes 4 problems then I write two.

How would you rate the quality of your classroom work and test results when you were able to use this accommodation? (Five being the best)

1 2 3 4 5

What did this accommodation help you achieve? I got to write two problems by myself, like my friends.

What happens when you don’t use this accommodation? Then it takes longer for Mrs. Hall to write them.

What accommodation would you like to use with this one? Keep taking breaks.

What do you find difficult about using this accommodation?

For teachers, therapists, and parents only:

What is your perception of the value of this accommodation?
