Increasingly Independent Response Accommodations Graphic

- **Less independent**
  - Teacher writes all problems on paper for him to complete.
  - Teacher writes first four problems then he writes 2, teacher writes again.
  - Teacher writes half of the problems, he writes the other half.
  - Samuel writes all his problems on graph paper and solves.
- **More independent**
  - Graph paper is always available to Samuel and his is in charge of selecting it if he needs it.
